INVESTMENT AND SHAREHOLDERS' AGREEMENT

Liquidation Preference:

In the event of any liquidation, dissolution or winding up of the Company, the proceeds shall be paid as follows:

First pay two (2) times the Original Purchase Price plus declared and unpaid dividends on each share of Series A Preferred. Thereafter, the Series A Preferred participates with the Common Stock pro rata on an as-converted basis.

A merger or sale of all or substantially all of the shares of the Company (other than one in which stockholders of the Company own a majority by voting power of the outstanding shares of the surviving or acquiring corporation) and a sale, lease, transfer, exclusive license or other disposition of all or substantially all of the assets of the Company will be treated as a liquidation event (a “**Deemed Liquidation Event**”), thereby triggering payment of the liquidation preferences described above unless the holders of a majority of the Series A Preferred elect otherwise. The Investors' entitlement to their liquidation preference shall not be abrogated or diminished in the event part of the consideration is subject to escrow in connection with a Deemed Liquidation Event.

Voting Rights:

The Series A Preferred shall vote together with the Common Stock on an as-converted basis, and not as a separate class, except (i) so long as 500,000 shares of Series A Preferred are outstanding, the Series A Preferred as a class shall be entitled to elect two (2) members of the Board (the “**Series A Director**”), and (ii) as required by law.

Protective Provisions:

So long as 500,000 shares of Series A Preferred are outstanding, in addition to any other vote or approval required under the Company's Articles of Association or the applicable law, the Company will not, without the written consent of the holders of at least majority of the Company's Series A Preferred, either directly or by amendment, merger, consolidation, or otherwise:

- (i) liquidate, dissolve or wind-up the affairs of the Company, or effect any merger or consolidation or any other Deemed Liquidation Event; (ii) amend, alter, or repeal any provision of the Articles of Association; (iii) create or authorize the creation of or issue any other security convertible into or exercisable for any equity security, having rights, preferences or privileges senior to or on parity with the Series A Preferred, or increase the authorized number of shares of Series A Preferred; (iv) purchase or redeem or

pay any dividend on any capital stock prior to the Series A Preferred, other than stock repurchased from former employees or consultants in connection with the cessation of their employment/services, at the lower of fair market value or cost; or (v) create or authorize the creation of any debt security if the Company's aggregate indebtedness would exceed EUR 50,000, other than equipment leases or bank lines of credit, unless such debt security has received the prior approval of the Board of Directors, including the approval of the Series A Director; (vi) create or hold capital stock in any subsidiary that is not a wholly-owned subsidiary or dispose of any subsidiary stock or all or substantially all of any subsidiary assets; (vii) enter into any exclusive license, lease, sale, distribution or other disposition of its products or intellectual property; (viii) make any gifts or charitable donations above EUR 5,000 in the aggregate per annum; or (ix) increase or decrease the size of the Board of Directors.

Optional Conversion:

The Series A Preferred initially converts 1:1 to Common Stock at any time at option of holder, subject to adjustments for stock dividends, splits, combinations and similar events.

Anti-dilution Provisions:

In the event that the Company issues additional securities at a purchase price less than the Original Purchase Price, the Company shall issue each Investor an additional number of shares of Series A Preferred (at no cost or, where not legally permissible, for nominal value) in order to implement full ratchet anti dilution protection.

The following issuances shall not trigger anti-dilution adjustment:

(i) securities issuable upon conversion of any of the Series A Preferred, or as a dividend or distribution on the Series A Preferred; (ii) securities issued upon the conversion of any debenture, warrant, option, or other convertible security; (iii) Common Stock issuable upon a stock split, stock dividend, or any subdivision of shares of Common Stock; and (iv) shares of Common Stock (or options to purchase such shares of Common Stock) issued or issuable to employees or directors of, or consultants to, the Company pursuant to any plan approved by the Company's Board of Directors including the Series A Director.

Mandatory Conversion:

Each share of Series A Preferred will automatically be converted into Common Stock at the then applicable conversion rate in the event of the closing of a firm commitment underwritten public offering with a price of four times the Original Purchase Price (subject to adjustments for stock dividends, splits, combinations and similar events) and gross proceeds to the Company of not less than EUR 30 million (a "QPO"), or (ii) upon the written consent of the holders of a majority of the

Series A Preferred.

Redemption Rights:

Unless prohibited by Finnish law governing distributions to stockholders, the Series A Preferred shall be redeemable at the option of holders of at least a majority of the Series A Preferred commencing any time after the fifth (5th) year anniversary of the First Closing at a price equal to the Original Purchase Price plus all accrued but unpaid dividends. Redemption shall occur in three equal annual portions. Upon a redemption request from the holders of the required percentage of the Series A Preferred, all Series A Preferred shares shall be redeemed (except for any Series A holders who affirmatively opt-out).

Information Rights:

A "Major Investor" means any Investor who purchases at least EUR 150,000 of Series A Preferred.

Right to Participate Pro Rata in Future Rounds:

All Major Investors shall have a pro rata right, based on their percentage equity ownership in the Company (assuming the conversion of all outstanding Preferred Stock into Common Stock and the exercise of all options outstanding under the Company's stock plans), to participate in subsequent issuances of equity securities of the Company (excluding those issuances listed at the end of the "Anti-dilution Provisions" section of this Term Sheet). In addition, should any Major Investor choose not to purchase its full pro rata share, the remaining Major Investors shall have the right to purchase the remaining pro rata shares.
